

Chartbuster is a three-year-old bay gelding in training with Julie Camacho.

Chartbuster is an unraced three-year-old, who has taken time to come to hand. Chartbuster began his education in the care of Andrew Balding, but was moved to Julie Camacho in October 2016, who felt there was something causing the horse discomfort. Chartbuster was sent to a top orthopaedic surgeon in January 2016, who identified a bit of cartilage that had become detached from his off-side stifle. Chartbuster underwent an operation to remove the separated cartilage and since then, he has really turned a corner and, with a trouble-free preparation, is now almost ready to make his racecourse debut.
