

This lovely three-year-old filly looks a very promising type. She is out of the bumper and hurdles winner, Arctic Actress, and from the same family as Wee Robbie, who won a Grade 2 novices' chase at Ascot and finished third in a Listed event at the Cheltenham Festival.

Parody is extremely athletic and the plan is to run her in bumpers towards the end of the year, before going hurdling. She has the scope and size to make a chaser in time. It's very hard to find a horse with this level of potential. She is by Presenting, who is one of the best Jumps sires around. His best offspring include Denman, War Of Attrition and Yorkhill.
