

Owners Group is delighted to offer shares in the useful four-year-old bay gelding, Planetaria. A three-time winner, Planetaria is a game front-runner and excels over a mile. He is by Lilbourne Lad and is out of a Pivotal mare. Rated 74, Planetaria is ready to hit the ground running and will be aimed at the Straight Mile Final at Redcar in October, in which he finished third last year.

Planetaria is in training with Julie Camacho, who is enjoying one of her finest seasons to date, with the high-class Judicial flying the flag for their Malton yard. Julie and husband Steve Brown thoroughly enjoy training for Owners Group and look forward to welcoming owners to Star Cottage and meeting them on the racecourse in the near future.

Planetaria cost 130,000 guineas as a yearling and is a half-brother to the two-time winner, Miss Avonbridge.
