

Sound Investment is a nine-year-old bay gelding. Sound Investment has been a grand servant to his owners, winning the Grade 3 Greatwood Gold Cup at Newbury in February 2015, before adding the Grade 2 Old Roan Chase at Aintree to his CV in October 2015. He followed that up with a good third in the Grade 3 Paddy Power Gold Cup at Cheltenham in November 2015, before running well to finish fifth back at Cheltenham a month later in the Grade 3 Caspian Caviar Gold Cup. Achieving a career high mark of 162 over fences, Sound Investment has won over £120,000 in prize money for his owners whilst in the care of ten-time champion trainer, Paul Nicholls.

Unfortunately, Sound Investment has been off the track since December 2015 with a suspensory injury, but he is currently enjoying a long break and is recovering well. It has been decided to give him a change of scenery and transfer him from Paul Nicholls to the care of Emma Lavelle, who trains from her new state of the art yard near Marlborough, Wiltshire. Emma has done brilliantly with a number of our horses through our sister company, Axom, and excels with older horses with similar profiles to Sound Investment. Providing Sound Investment's rehabilitation continues to go to plan, he will hopefully go into training with Emma Lavelle this summer, with a view to running this autumn.
