

True North is a two-year-old bay gelding by Henrythenavigator out of Cosmic Fire. This very good looking and correct individual was purchased at the Tattersalls Yearling Sale (Book 2) and was a real stand out. True North is a half-brother to the very useful Ray's The Bar, who won a maiden at Ascot on his debut before heading to America and finishing third in a Grade 3. A fine, upstanding gelding, he should be a mid-season two-year-old and his size and scope suggest that he will improve with time. Henrythenavigator was a top racehorse for Ballydoyle and won the Coventry Stakes as a two-year-old, before landing the 2,000 Guineas at Newmarket, beating New Approach by a nose. He has produced a number of high-class offspring, including George Vancouver, who was an impressive winner of the Grade 1 Breeders' Cup Juvenile Turf.

True North is in training with Sir Mark Prescott in Newmarket. Sir Mark is one of the most successful and well-respected trainers in the world and his meticulous approach is second to none. He has trained a number of top-class horses during his forty-plus years at Heath House, including Champion Sprinter Pivotal, Confidential Lady (French Oaks), Hooray (Champion Two-Year-Old filly) and Elite Racing Club's Group Group 1 winner, Marsha.

True North
 2015
