

Champagne Express is a classy nine-year-old gelding by top Jumps sire, Kalanisi. Champagne Express has won twice in Owners Group colours, his most recent success coming at Cheltenham in April 2018, when he landed a very competitive handicap hurdle. Champagne Express has been plagued with soundness issues and is currently sidelined with an injury to his pastern (area between his fetlock or ankle joint and his foot) but the vets and trainer Nicky Henderson are hopeful that he will make a full recovery and be able to return to training later this summer.

Champagne Express is a very useful hurdler, but Nicky Henderson is keen to send him novice chasing next season, as he has always looked like a chaser in the making. Champagne Express's sire, Kalanisi, has produced many top Jumps horses over the years, including Katchit (Champion Hurdle), Brain Power (International Hurdle) and Kalashnikov (Betfair Hurdle).
