

Cupboard Love is a strong, forward-looking filly by the smart sire, Iffraaj. She is from a lovely family, which includes Pearl Of Love, who Mark Johnston trained to win the Chesham Stakes at Royal Ascot. There is plenty of two-year-old form in the family and this filly looks to be a forward type at this stage. This filly was purchased at the Tattersalls Yearling Sales in October and her active walk and forward attitude really caught the eye.

Her sire, Iffraaj, has enjoyed another excellent season, with Ribchester flying high for Godolphin and Richard Fahey, winning three Group 1s, including the Lockinge Stakes and Queen Anne Stakes. Mark Johnston, who trains from Park House Stables in Middleham, North Yorkshire, is one of the best trainers in the country and he has enjoyed great success with another Owners Group horse, Rainbow Rebel, who ran as early as April as a two-year-old.

Please note: the name 'Cupboard Love' is currently being registered and is subject to change.
