

Owners Group is delighted to offer shares in Force Ten, a lovely three-year-old gelding by Al Namix. This handsome gelding is from the same family as Grade 1 chase winner, New Little Bric and the talented Little Brick.

A big horse, with plenty of size and scope, his job ultimately will be jumping fences, but firstly he will head down the bumper route and is likely to be ready to run around Christmas time.

Force Ten is in training with Paul Nicholls and he has been delighted with his early work and schooling at Ditcheat. Force Ten's sire, Al Namix, has produced top-class jumpers such as Grandouet, Petit Mouchoir and the Paul Nicholls-trained Saphir Du Rheu.

The share price is £65. There will be nothing extra to pay, no matter what costs are incurred during the syndicate period.
