

Getaway Trump is a promising five-year-old gelding, in training with ten-time Champion Jumps Trainer, Paul Nicholls. The son of Getaway (sire of Getabird and Verdana Blue) won a point-to-point in Ireland in October 2017 and then showed promise in his first bumper start for Paul Nicholls earlier this spring. Following a summer break, Getaway Trump made a solid start over hurdles at Chepstow before winning impressively at Plumpton. Given his size and scope, Getaway Trump will hopefully go on to have a future over fences.
