

This imposing individual could not have been more impressive when winning a point-to-point at Lisronagh in Ireland at the end of October. He showed an excellent turn of foot that day and was a real eye-catcher. This four-year-old gelding is by Getaway, who looks set to become an emerging force in the world of Jumps breeding. Getaway Trump should go novice hurdling this season, but he has plenty of size and scope and should make up into a promising chaser in time.
