

Hexagon is a very good-looking son of top sire Acclamation. He was bought at the famous Tattersalls Yearling Sale in October 2018 and impressed with his excellent walk. Hexagon is out of the Red Ransom mare, Somerset Falls, and being by Acclamation, he should be a forward type. Acclamation has produced stars such as Equiano (Group 1 King's Stand Stakes), Marsha (dual Group 1 winner) and Expert Eye (Grade 1 Breeders' Cup Mile).
