

Kodiac Pride is an imposing three-year-old son of Kodiac, who won impressively on his first start this season for former trainer, William Haggas. Kodiac Pride is likely to be suited to seven furlongs, but he could stay further in time. Kodiac Pride has an eye-catching pedigree, and is from the family of the Group 1 winner, Zoffany, and notable Group performers Rostropovich and Wilshire Boulevard. Kodiac Pride is to be trained by Sir Mark Prescott from his Heath House Stables base in Newmarket. Sir Mark has enjoyed a wonderful career, spanning nearly fifty years and including many top-flight successes, most notably wins in the Group 1 Nunthorpe Stakes with Pivotal (1996) and Marsha (2017).

"Kodiac Pride is a good-looking gelding and with only four runs to his name so far, I hope we will be able to enjoy further success with him this season." **Sir Mark Prescott**
