

Parody is lovely filly, who has impressed Paul Nicholls since she was purchased in the summer of 2017. She was in training throughout last season until Spring 2018 when she was almost ready to run. However, Paul felt she would benefit from more time, so she has been given another summer to grow and mature. She is a filly who has shown plenty at home and she is a really exciting prospect, so we look forward to her making her debut this autumn.
