

Sabrina was purchased at the Goffs Sale in Ireland in early summer and soon joined ten-time Champion Trainer Paul Nicholls soon afterwards. This three-year-old filly really fills the eye and she has done nothing but please Paul since her arrival at his yard in Ditcheat, Somerset. She is closely related to the useful chaser in France, Bretaye, and is by the four-time Ascot Gold Cup winner, Yeats, who has made a promising start to his career as a Jumps stallion.
