

Spirit Of Wedza is a five-year-old bay gelding in training with Julie Camacho.

Spirit Of Wedza is a tough and consistent horse, who has run an incredible 27 times for his owners. He landed his first win in June 2016, before running a series of consistent races in defeat until being narrowly denied his second win in January 2017. He then landed his second win for his owners in February 2017, which he did in good style. This front-running horse is ready to run now that the turf season is in full flow and should continue to give his owners plenty of fun in 2017.
